Jim

Here is the list of documents I mentioned that should be added to the LWG's bibliography suggested for preparation for the 6/21-22/11 FS Check-in meeting. The bibliography was attached to the LWG's 5/26/11 letter.

- EPA, 3/28/08 "EPA Guidance on the Portland Harbor Feasibility Study"
- EPA 12/18/09 "Remedial Action Alternatives Development and Screening Evaluation"
- EPA 12/21/10 "Portland Harbor Feasibility Study"
- EPA 4/27/11 EPA's comments on 5 FS Tools memos received in 3/11

Please let me know if you have any questions.
